

*"Every time I walk into the hall, the beat of my heart and my steps quicken; my duties become just a little bit lighter; and the corners of my mouth curve up just a little bit more than they had the day before."*

*"It's more than just a mural or painting hanging on the wall - it's the love that comes from those murals and the love that comes through the artists that paint them."*

## About Us

Splashes of Hope is a 501(c)3 nonprofit organization. Since 1996, Splashes of Hope has transformed healthcare facilities into vibrant, beautiful spaces that brighten up the lives of thousands of children, veterans, and their families.

Our artists create customized, hand-painted murals designed to provide a soothing visual focus for patients, their families, and the professionals that care for them.
