

Hello to our Splash Family!

We hope that everyone has had a safe & *Splash-tastic* summer as the season comes to a close. We are delighted to announce that we are moving ahead with our masquerade fundraising event on Thursday, September 23, and we look forward to celebrating our 25th Anniversary with our supporters and friends! Concerning the current state of affairs due to COVID-19, the safety of our team members and guests remains paramount, and thus, we are giving a status update regarding the protocols in place at the venue:

First off, in light of growing concerns for large indoor gatherings due to COVID-19, we are limiting the number of attendees to 160 instead of the max capacity of 400, we're also asking all our attendees to please read and acknowledge the COVID waiver form as a prerequisite. We believe this will create a safer and intimate setting for our supporters and special guests.

The Chateau at Coindre Hall in Huntington is the event's venue, where the building is owned by Suffolk County Parks Department. The current protocol of the building due to COVID-19 provided by the County states the following: ***'visitors who do not provide proof of full vaccination against COVID-19 are required to wear masks at all times while in County buildings. Visitors who present proof of full vaccination against COVID-19 are not required to wear masks while inside County buildings.'*** We appreciate our attendees' cooperation and understanding of the protocols put in place, and hope to see everyone there!

If you are unable to attend the event, your ticket can be donated to a healthcare hero to give them a special night out. Non-attending contributions are 100% tax-deductible.

Thank you for cooperation, we look forward to seeing you all at the event! Please review and sign the [waiver form](#) (click to fill out the form) to ensure a safe event for everyone.
