

Tuesday January 29, 2019

Dear Ms. Sarah Baecher:

Thank you for partnering with Johnson & Johnson on one of our most significant company milestones – the 75th anniversary of Our Credo. December 13th, 1943 was the original day that Our Credo was presented and embraced to the Board of Directors. We truly wanted to make an impact in the community on this historic day.

With your help, our colleagues around the world had an opportunity to participate in Credo-inspired events, bringing Our Credo to life. We so appreciate your partnership in helping us deliver a day of caring in the communities we serve. We truly feel the day was exceptional.

Again, thank you for celebrating this momentous occasion with us!

Jeanne Weintraub
Senior Director, Global Event Management
