Interactive Mural Painting Program

PAINTING FOR A PURPOSE

Splashes of Hope is perfect for your organization's next employee gathering, customer appreciation event or industry conference. Through our interactive mural painting event, attendees will paint a mural supporting a great cause. This is a fun and entertaining team building activity serving local communities.

INTERACTIVE MURAL PAINTING PROGRAM

"If you can imagine being a child walking into a hospital door it's a very scary place. But when they walk in and see beautiful murals on the walls...it makes the biggest difference in making sure they feel comfortable so they can get healthy and go home."

- Hospital Staff Member

"We definitely had a blast and would love to work with Splashes of Hope again in the future; your team does excellent and much needed work, and I'm honored to have been a part of it."
